

DOMAINE DE BOISCHAMPT JULIÉNAS VAYOLETTE 2020

For the very warm 2020 vintage this is only medium-bodied, but also surprisingly cool and restrained with excellent tannin structure and mineral acidity. Very long positively austere finish with stacks of crushed rock character. From organically grown grapes. Drink or hold.

DOMAINE DE BOISCHAMPT FLEURIE 2020

Cool and fresh for the very warm 2020 vintage, this Fleurie has bright red fruit and mint aromas, then a crisp combination of gentle tannins and acidity on the well-balanced and lively palate. Quite a dry finish with stacks of licorice character. Drink or hold.

DOMAINE DE BOISCHAMPT JULIÉNAS 2021

Although quite sleek and crisp this has very good redcurrant fruit and nice gentle tannins and a touch of herbal freshness supporting it. A bright and expressive finish with a ripe raspberry note. From organically grown grapes. Drink or hold.

DOMAINE DE BOISCHAMPT SAINT-AMOUR 2020

At first a medicinal aroma partially masks the red berry fruit and this needs plenty of aeration to blow off. Quite tart for the warm 2020 vintage on the rather lean palate. Firm, slightly drying finish. Drink now if this is your style.
